## MEMORANDUM

*Office of the Superintendent*

Meeting of

April 20, 2016

**TO:** Board of Trustees  
**FROM:** Wendy S. Tukloff, Ed.D., Superintendent  
**SUBJECT:** Board Bylaws, Policies and/or Administrative Regulations: 2000 Series  
(Second Reading)

---

### Recommendation

It is recommended that the Board approve BP 2121 Superintendent's Contract - CSBA Sample As Is.

### Background

CSBA provides sample Bylaws, Board Policies and Administrative Regulations reflecting any legislation changes three times each year with descriptions identifying major changes in revised materials as well as editorial changes or technical revisions. Staff compares the CSBA sample policies to current policies. The attached policies reflect changes up to December 2015 for the following series: 2000.

Each Policy presented for review will have attachments that include the current policy, current policy with revision markings, CSBA Sample, and CSBA Sample with revision markings, as appropriate. As an example, policies that staff recommends "use current policy as is" will have both the current policy and the CSBA Sample for Board review. Any notation boxes are removed in the final version which will be available on line approximately 30 days after the Board adopts the revisions.

There were no substantial changes discussed during the First Reading, held during the March 2, 2016 meeting.

A master binder of new and revised policies is located in the Office of the Superintendent.
