Recommendation:

It is recommended that the Board approve **Resolution No. 2016-04-20-A** recognizing May 2-6, 2016 as National Teacher Appreciation Week and May 3rd, 2016 as Day of the Teacher **AND Resolution No. 2016-04-20-B** recognizing May 15-21, 2016 as Classified School Employee Week.

Background

In acknowledgment of the important service provided to our students and families by both Pacifica School District's dedicated teachers and classified school employees it is fitting that the Month of May be declared and celebrated as School Personnel Appreciation Month allowing the many members of the school, district, and larger Pacifica community to thank, acknowledge, and honor the individuals who engage in the noble work of nurturing, taking care of, and educating our children - ensuring each student is well prepared for an evolving world.

We join colleagues and communities across the state and nation in honoring and expressing gratitude to our School Personnel. Since 1986, California has taken the third week in May to honor the invaluable contributions of classified school employees; and across the nation May 3rd has been designated the Day of the Teacher and May 2-6 has been designated by the National PTA as Teacher Appreciation Week.

It is with pleasure that these resolutions are brought to the Board in acknowledgement of the many important contributions made by the teachers and classified school employees of the Pacifica School District on behalf of all our students and families.
