MEMORANDUM

Office of the Superintendent

Meeting of

May 11, 2016

TO: Board of Trustees
FROM: Wendy S. Tukloff, Ed.D., Superintendent
SUBJECT: Board Bylaws, Policies and/or Administrative Regulations: 6000 Series
(Second Reading)

Background

CSBA provides sample Bylaws, Board Policies and Administrative Regulations reflecting any legislation changes three times each year with descriptions identifying major changes in revised materials as well as editorial changes or technical revisions. Staff compares the CSBA sample policies to current policies. The attached policies reflect changes up to December 2015 for the following series: 6000.

Each Policy presented for review will have attachments that include the current policy, current policy with revision markings, CSBA Sample, and CSBA Sample with revision markings, as appropriate. As an example, policies that staff recommends “use current policy as is” will have both the current policy and the CSBA Sample for Board review. Any notation boxes are removed in the final version which will be available on line approximately 30 days after the Board adopts the revisions.

No substantial changes were discussed for the other policies.

A master binder of new and revised policies is located in the Office of the Superintendent.
