For the Current Year Accomplishments, Ms. Peterson shared that Ms. Kern took on her new position of Child Nutrition Supervisor on 7/1/15. This has been a very busy year for Child Nutrition Services. Ms. Peterson updated the Board regarding USDA Regulations: Nutritional Information/Healthy Hunger Free Kids Act Update and indicated the District has been ahead of the standards for awhile. Absent Ms. Laverne Villalobos

Minutes:

Ms. Peterson shared the bid opening for the Ocean Shore Roofing project was held on May 4, 2016. Ms. Peterson introduced Mr. Hashizume who was present to help answer any questions.

Staff recommends the District move forward in replacing the Ocean Shore Roof. There are three bids, and staff recommends going with the lowest qualified bidder.

Ms. Peterson indicated there are two projects coming before the Board tonight: the Ocean Shore Roof and the IBL Painting Job. She shared the funding options for both projects with the Board.

Ms. Shiokari shared her thoughts about the long process the staff and families at Ocean Shore have endured in dealing with the roofing

leaks for the past several years. She expressed her strong desire that we keep our schools safe, including repairing the roof effectively.

Mr. Levie questioned the difference between the bids when taking into consideration the Alternatives in the bid process (Gutters and Downspouts). Mr. Hashizume addressed the Board's concerns and indicated he questioned this as well, and discussed this concern with the consultant, Allana Buick & Bers (Allana). It is their opinion if the Alternatives were placed into the bidding process, the contractors were professionally responsible and would be careful, if at all possible, not to damage the gutters and downspouts when working on the roof. There would also be daily monitoring over the project by Mr. Hashizume especially during the removal of the old roof, which is a period of 4-5 days when the damage is most likely to occur. The District is also contracting with Allana for construction oversight.

Quick Summary:

It is recommended that the Board authorize staff to enter into contract with the lowest responsible bidder for the Ocean Shore Roofing project.
