Meeting of

6/1/2016

TO: Wendy S. Tukloff, Ed.D., Superintendent
for Board of Trustees

FROM: Ray Avila, Associate Superintendent

SUBJECT: Credential Internship Agreement between the District and San Francisco State University, Department of Special Education
(Consent)

Recommendation

It is recommended that the Board approve the Interagency Agreement to place Education Specialist Interns between the District and San Francisco State University, Department of Special Education in effect for the period from July 1, 2016 through June 30, 2019. This contract has been updated to address new regulations pursuant to California Ed Code 44321 regarding the support and supervision of interns.

Rationale:

Education Code allows school districts to enter into agreements with universities and colleges which are accredited by the California Commission on Teacher Credentialing to provide support to interns and clinical experience for students enrolled in an intern teacher/administrator training program.

Approval of this agreement would allow for placement of interns from San Francisco State University, Department of Special Education in the training of future teachers is in the best interest of the District.

A copy of this agreement will be on file in Human Resource Services and is attached for review.
