For Board of Trustees

FROM: Josephine Peterson, Chief Business Official

SUBJECT: Agreement for Joint Use and Maintenance of Ingrid B. Lacy Field
(Action)

Recommendation

It is recommended that the Board approve the agreements between the Pacifica School District and the Pacifica National Little League and AYSO for Joint Use and Maintenance of the Ingrid B. Lacy Middle School Field.

Background

This is a renewal of agreements that have been in place for several years. In lieu of paying a fee for the use of the Ingrid B. Lacy field, both the Pacifica National Little League and AYSO are responsible for most of the maintenance of the field. The District will continue to mow and be responsible for the irrigation system, but PNLL and AYSO perform weeding, fertilizing, gopher hole filling, and seasonal reseeding of worn areas of the field. This partnership has resulted in a higher quality field for school and community use. The agreements also ensure that the Ingrid B. Lacy P.E. and after school sports program will have first priority for use of the field. For safety reasons, no hard ball is allowed on the field.
