MEMORANDUM

Educational Support Services

Meeting of:

06/15/16

TO: Wendy S. Tukloff, Ed.D., Superintendent
For Board of Trustees

FROM: Tina VanRaaphorst, Executive Director, Educational Support Services

SUBJECT: Consolidated Application
(Consent/Action)

Recommendation

It is recommended that the Board approve the Consolidated Application to the California State Department of Education (CDE).

Rationale

The Consolidated Application is prepared in two parts. The spring release is prepared and submitted in June prior to the beginning of the new school year. The spring release serves the purpose of notifying the state of the District's intent to participate in the various categorically funded programs and is our official application for funding. The state notifies districts in the fall regarding the amount of funding awarded for the state and federally funded programs covered under the consolidated Application. Upon receipt of this notification, districts compute allocations for individual school sites utilizing the criteria and formulas provided and use the winter release of the Consolidated Application, submitted in January, to transmit this information back to the state.

An electronic copy of this document has been provided to each board member. A copy is available for review by the public in the District Office.

As part of Title I compliance, districts are required to review its Parent Involvement policy annually. Our current policy is attached and meets all requirements. No revisions are recommended.
