### Background

Pacifica School District has a practice of using the California School Boards Association (CSBA) On-line Gamut service for Pacifica School District policies. The Board Policy and Administrative Regulation 5141.41 (Prevention of Sexual Misconduct and Abuse in Schools) presented have been drafted and recommended by the San Mateo County Counsel in collaboration with the San Mateo County Schools Insurance Group (SMCSIG), as there is not a current Sample CSBA BP/AR 5141.41.

PSD supports the County Counsel and SMCSIG position of the importance of the prevention of sexual misconduct and abuse in schools. In order to attempt to prevent sexual misconduct and abuse and its impact on students and families, BP/AR 5141.41 Prevention of Sexual Misconduct and Abuse in Schools will serve as a guide for District practice. This policy aligns with Goal 3 in relation to ensuring a positive and safe school climate.

It is recommended for the Board to adopt the attached Board Policy and Administrative Regulation.
