Administrative Regulation

Free And Reduced Price Meals

AR 3553

Business and Noninstructional Operations

Note: Education Code 49550 requires all districts to provide at least one nutritionally adequate meal during each school day to low-income students, defined in Education Code 49552 as those who meet federal eligibility criteria for free and reduced-price meals. The following administrative regulation is for use by all districts, regardless of whether they receive reimbursement for free and reduced-price meals through the National School Lunch and/or Breakfast Program (42 USC 1758, 1773) and/or the State Meal Program (Education Code 49490-49494).

Applications

***Note: The California Department of Education's (CDE) Management Bulletin USDA-SNP-07-2010 clarifies that it is the responsibility of the district to ensure that applications for free and reduced-price meals and free milk meet the requirements of law. Model application forms are available from the CDE in several formats and in both English and Spanish. ***

The Superintendent or designee shall ensure that the district's application form for free and reduced-price meals and related materials include the statements specified in Education Code 49557 and 7 CFR 245.5. The district's application packet shall include the notifications and information listed in Education Code 49557.2.

(cf. 3550 - Food Service/Child Nutrition Program)
(cf. 3551 - Food Service Operations/Cafeteria Fund)
(cf. 3552 - Summer Meal Program)

The application form and related information shall be distributed in paper form to all parents/guardians at the beginning of each school year and shall be available to students at all times during the school day. (Education Code 48980, 49520; 42 USC 1758; 7 CFR 245.5)

(cf. 5145.6 - Parental Notifications)

Note: The following paragraph may be revised to reflect district practice. In addition to the paper application form described above, Education Code 49557, as amended by SB 708 (Ch. 390, Statutes of 2015), authorizes districts to make the application for free or reduced-price meals available online. Any such online application must comply with specific requirements, including, but not limited to, the provision of clear instructions for families that are homeless or are migrants.

Attachment A3 – Recommendation: USE CSBA POLICY AS IS

In addition, the district application form for free and reduced price meals shall be available online. The online application form shall require completion of only those questions necessary for determining eligibility, contain clear instructions for families that are homeless or migrant, and comply with other requirements specified in Education Code 49557.

Note: According to the U.S. Department of Agriculture's Eligibility Manual for School Meals: Determining and Verifying Eligibility, households enrolling a new student after the start of the school year must also be provided an application and related materials.

An application form and related information shall also be provided whenever a new student is enrolled.

At the beginning of each school year, the Superintendent or designee shall send a public release, containing the same information supplied to parents/guardians and including eligibility criteria, to local media, the local unemployment office, and any major employers in the district attendance area contemplating large layoffs. Copies of the public release shall be made available upon request to any interested person. (7 CFR 245.5)

Eligibility

Note: Districts are responsible for determining students' eligibility for free and reduced-price meals in accordance with criteria established by the CDE consistent with 42 USC 1758 and 1773 and 7 CFR 245.3. Family income levels that qualify for free or reduced-price meals, by household size, are annually posted on the CDE's web site.

Note: Pursuant to 42 USC 1769c, a district that has demonstrated a high level of, or a high risk for, administrative error may be required to implement a second-level, independent review of the eligibility determination for each application. Such districts also will be subject to additional CDE reporting requirements.

The Superintendent or designee shall determine students' eligibility for the free and reduced-price meals program based on the criteria specified in 42 USC 1758 and 1773 and 7 CFR 245.1-245.13 and made available by the California Department of Education.

***Note: Pursuant to 42 USC 1758, districts must directly certify for enrollment in the free and reduced-price meals program students who participate in the CalFresh program or California Work Opportunity and Responsibility to Kids (CalWORKs) program. 42 USC 1758 also authorizes, but does not require, districts to directly certify as eligible a student who is homeless, migratory, or a foster youth. For purpose of direct certification, districts may obtain data through the California Longitudinal Pupil Achievement Data System (CALPADS) or may enter into a local agreement with the county department of social or welfare services to match enrollment data. Pursuant to Education Code 49561 and 42 USC 1758, no additional application or further action is required by the household of students who are directly certified. Further information about direct certification and other eligibility issues is available in the USDA's Eligibility Guidance for School

Districts participating in these alternative processes should revise the following section to reflect district practice.

If the review indicates that the initial eligibility determination is incorrect, the Superintendent or designee shall: (42 USC 1758; 7 CFR 245.6a)

1. If the eligibility status changes from reduced price to free, make the increased benefits immediately available and notify the household of the change in benefits

3. If the eligibility status changes from free or reduced price to paid, send the household a notice of adverse action as described below

If any household is to receive a reduction or termination of benefits as a result of verification activities, or if the household fails to cooperate with verification efforts, the Superintendent or designee shall reduce or terminate benefits, as applicable, and shall properly document and retain on file in the district the reasons for ineligibility. He/she also shall send a notice of adverse action to any household that is to receive a reduction or termination of benefits. Such notice shall be provided 10 days prior to the actual reduction or termination of benefits. The notice shall advise the household of: (7 CFR 245.6a)
