## MEMORANDUM

*Office of the Superintendent*

Meeting of

August 24, 2016

**TO:** Board of Trustees  
**FROM:** Wendy S. Tukloff, Ed.D., Superintendent  
**SUBJECT:** Operations Plan

---

### Background

The Pacifica School District Strategic Plan: 21<sup>st</sup> Century Learning, adopted in 2010-11, provides the foundation for our work as evidenced through our Companion Plans: Curriculum Plans, Support Plans and Operational Plans as well as our Local Control Accountability Plan (LCAP).

An update to the Operations Plan has been attached, a marked up version so one can see changes and a clean copy for ease of reading. The plan was reviewed for input by the Leadership Council. It has been an amazing few years, with much progress. An interesting observation is that this plan was developed prior to the State requirement for all districts in the California to have an LCAP (2013-14). In comparing the goals, metrics, and actions in the LCAP to that of the Operations Plan, it is recommended that the Operations Plan be archived and to use the LCAP to guide our work.

We look forward for input and feedback from the Trustees.
