### Background

The California School Boards Association is a collaborative group of virtually all of the state's more than 1,000 school districts and county offices of education. It brings together school governing boards and their districts and county offices on behalf of California's children. CSBA is a member-driven association that supports the governance team — school board members, superintendents and senior administrative staff — in its complex leadership role. CSBA develops, communicates and advocates the perspective of California school districts and county offices of education. Pacifica School District Board of Trustees and Superintendent are members of this organization.

Nominations for CSBA Director-at-Large Asian/Pacific Islander and Hispanic are currently being accepted until Friday, September 30, 2016. Attachments for this memorandum include: Memorandum from CSBA President Chris Unger, Nomination Forms, Candidate Form, Meetings Schedule, Roles and Responsibilities, Guiding Principles of Governance, and Core Values, and Frequently Asked Questions.
