MEMORANDUM

Office of the Superintendent

Meeting of September 14, 2016

TO: Board of Trustees
FROM: Wendy S. Tukloff, Ed.D., Superintendent
SUBJECT: Resolution No. 2016-09-14-A: Week of the School Administrator

Recommendation

It is recommended that the Board of Trustees approve Resolution No. 2016-09-14-A to honor District school administrators as celebrated during the Week of the School Administrator, October 10-14, 2016.

Background

Research has repeatedly shown that quality school leadership is essential to student success. These leaders in turn are supported by a network of dedicated professionals, including special education and adult education leaders, curriculum experts, school business officials and classified educational leaders, among many others.

Through Education Code 44015.1, the State of California celebrates one full week in honor of educational administrators. Senate Bill 1229 passed with no opposition and signed into law by Governor Brown to move this celebration to the second full week in the month of October each year. These are huge statements to the public the importance of school and district office leaders and in Pacifica School District we see evidence of such great administrative leadership on a daily basis.

Members from the administrative team will be present to accept this recognition and resolution by the Pacifica School District Board of Trustees.
