Board Policy

Business and Noninstructional Operations

BP 3555(a)

NUTRITION PROGRAM COMPLIANCE

Note: The following policy is **mandated** for any district **whose child nutrition programs that receives federal financial assistance for its participation in the (i.e., National School Lunch Program, School Breakfast Program, Special Milk Program, and/or other child nutrition program) receive state or federal funding. 5 CCR 4621 mandates that districts adopt uniform complaint procedures for the investigation and resolution of specified types of complaints, and 5 CCR 4610 makes those procedures applicable to allegations of unlawful discrimination, harassment, intimidation, bullying, or violation of state or federal laws governing educational programs, including child nutrition programs. See BP/AR 1312.3 - Uniform Complaint Procedures. Districts that do not receive any such financial assistance may delete this policy.**

State and federal law prohibit discrimination in such programs. Title VI of the Civil Rights Act of 1964 (42 USC 2000d-2000d-7) prohibits discrimination on the basis of race, color, and national origin. Title IX (20 USC 1681-1688) prohibits discrimination on the basis of sex. The Americans with Disabilities Act (ADA) (42 USC 12101-12213) and Section 504 of the Vocational Rehabilitation Act of 1973 (29 USC 794) prohibit discrimination on the basis of disability. Education Code 220 prohibits discrimination on all those bases and, in addition, on the basis of sexual orientation in all programs and activities in public schools.

The U.S. Department of Agriculture, Food and Nutrition Service (FNS) has authority to enforce federal laws in all nutrition programs and activities that receive federal funds. The California Department of Education (CDE) may also investigate complaints regarding discrimination through the uniform complaint procedures; see BP/AR 1312.3 - Uniform Complaint Procedures.

Various state and federal laws prohibit discrimination in district programs and activities on the basis of actual or perceived race, color, ancestry, national origin, ethnic group, age, religion, marital or parental status, disability, sex, sexual orientation, gender, gender identity or expression, or genetic information, or association with a person or group with one or more of these actual or perceived characteristics. See BP 0410 - Nondiscrimination in District Programs and Activities. 7 CFR 210.23, 215.7, and 220.7 specify that children must not be denied benefits or discriminated against in child nutrition programs on the basis of race, color, national origin, sex, age, or disability, and complaints alleging discrimination on any of these bases may be investigated by the California Department of Education (CDE) or the U.S. Department of Agriculture, Food and Nutrition Service (FNS).

The CDE's Civil Rights and Complaint Procedures for the U.S. Department of Agriculture Child Nutrition Programs and FNS Instruction 113-1, Civil Rights Compliance and Enforcement - Nutrition Programs and Activities, provide guidance to districts on how best to comply with federal law.

The Governing Board recognizes the district's responsibility to comply with state and federal nondiscrimination laws as they apply to the district's nutrition programs. The district shall not deny any individual the benefits or service of any nutrition program or discriminate against him/her **because of his/her race, color, national origin, gender, sex, sexual orientation, disability, or any other on any** basis prohibited by law, **in its implementation of such a program.**
