Background

Pacifica School District began the search for a new Executive Director for Educational Support Services in the Fall of 2016.

After an inclusive process consisting of engaging stakeholders in characteristics we are seeking in a candidate for this leadership position and a multi-leveled interview process, it is my pleasure to introduce the recently appointed Executive Director of our Educational Support Services Department, Mr. Will Lucey. Mr. Lucey has over 25 years in education with leadership experience in multiple programs. Highlights of his work include the development of action plans, collaboration for staff development, and working with all stakeholders, specifically exhibiting strong communication skills in all of these areas.
