MEMORANDUM

Administrative Services

Meeting of 01/18/17

TO: Wendy S. Tukloff, Ed.D., Superintendent
For Board of Trustees

FROM: Josephine Peterson, Chief Business Official

SUBJECT: Service and Consultant Contract Approvals

Recommendation

It is recommended that the Board approve the Service and Consultant Contracts as presented by staff.

Background

The District periodically conducts business with outside vendors/consultants. We have generated contracts for the current fiscal school year so that our consultants can be contracted to do work as needed. The work being conducted by outside vendors/consultants is work that cannot be typically handled by the existing District staff or the contractor/consultant fills a temporary need for the District.

In Class Today \$2,250 Jan. 03, 2017 to
San Francisco, CA 94123 June 30, 2017

Description: The basic design of the Service entails four (4) rounds of mail-based communications. Mail-based interventions are sent through USPS mail and encourage better school attendance and report precisely how many days students have been absent.

Mail-based interventions are delivered to the most up-to-date mailing address on record for students' guardians. They are sent to the 250 students selected by Data Provider, with the help and guidance by ICT, if needed.

Data Provider may exclude any students from the Service for any reason at any time, provided there is good cause. Communications will be delivered in English and Spanish, when appropriate.
