## MEMORANDUM

*Office of the Superintendent*

Meeting of January 18, 2017

**TO:** Board of Trustees  
**FROM:** Wendy S. Tukloff, Ed.D., Superintendent  
**SUBJECT:** BP/AR 0450 Comprehensive Safety Plan  
(First Reading)

---

### Background

Board Policy and Administrative Regulation 0450 Comprehensive Safety Plan were part of the July 2016 Manual Maintenance for Board Policies provided by the California School Board Association, GAMUT. Due to the need to ensure review of the updates for the current policies by department representatives of Facilities, Maintenance and Operations (FMO) and Student Services, we are bringing these documents out of the normal timeline.

Highlighted changes to the current policy:

1. Removal of the Tactical Response Plan section- Pacifica School District works closely with Pacifica Police Department and will use their plan for response.
2. Content of the Safety Plan- Dr. Ray Avila, Associate Superintendent and Mr. John Hashizume reviewed this section thoroughly to ensure the Administrative Regulation reflects the content in the School Safety Plans that will be brought forward at the February 2017 meeting.

Any notation boxes are removed in the final version which will be available on line approximately 30 days after the Board adopts the revisions. If no substantial changes are made at the First Reading, this policy will be placed on consent for adoption at the February 7, 2017 Board of Trustee meeting.

A master binder of new and revised policies is located in the Office of the Superintendent.
