## Board Policy

### Philosophy, Goals, Objectives, and Comprehensive Plans

BP 0410(a)

### NONDISCRIMINATION IN DISTRICT PROGRAMS AND ACTIVITIES

Note: Government Code 11138 **mandates** districts to adopt rules and regulations to ensure that district programs and activities are free from unlawful discrimination. In accordance with various provisions of state and federal law, discrimination in education programs and activities is unlawful when it is based on certain actual or perceived characteristics of an individual. Education Code 220 prohibits discrimination based on race or ethnicity, nationality, sex, sexual orientation, gender, gender identity, gender expression, religion, or any other characteristic contained in the definition of hate crimes in Penal Code 422.55. Government Code 11135 prohibits discrimination based on all the foregoing characteristics and on age, disability, and an individual's genetic information. Title VI of the Civil Rights Act of 1964 (42 USC 2000d-2000d-7) prohibits discrimination on the basis of race, color, and national origin. Title IX (20 USC 1681-1688) prohibits discrimination on the basis of sex. The Americans with Disabilities Act (ADA) (42 USC 12101-12213) and Section 504 of the Rehabilitation Act of 1973 (29 USC 794) prohibit discrimination on the basis of disability. **For policy language protecting students against discrimination and harassment, see BP/AR 5145.3 - Nondiscrimination/Harassment and BP/AR 5145.7 - Sexual Harassment.**

Education Code 260 and 5 CCR 4900-4965 require the Governing Board to monitor district compliance with these state and federal laws. The federal laws are enforced by the Office for Civil Rights of the U.S. Department of Education, and the California Department of Education may investigate complaints regarding discrimination pursuant to 5 CCR 4600-4687.

**Similarly, Government Code 12940 provides protections for employees, job applicants, unpaid interns, and volunteers against unlawful discrimination and harassment.** ~~Government Code 12940, as amended by AB 556 (Ch. 691, Statutes of 2013), prohibits employers from discriminating against employees and job applicants based on their military or veteran status. In addition, Government Code 12940 prohibits employers from discriminating against employees and job applicants based on genetic information, gender identity, and gender expression, and requires employers to reasonably accommodate employees' religious dress and grooming practices.~~ **For policy language addressing these prohibitions-protections as they relate to volunteers, see BP 1240 - Volunteer Assistance, and in relation to employees, unpaid interns, and job applicants, see BP 4030 - Nondiscrimination in Employment.**

The Governing Board is committed to providing equal opportunity for all individuals in education. District programs, activities, and practices shall be free from **unlawful** discrimination, **including discrimination against an individual or group** based on race, color, ancestry, **nationality**, national origin, ethnic group identification, age, religion, marital, **pregnancy**, or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity or expression, or genetic information; **the a** perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics.

(cf. 6178 - Career Technical Education)  
(cf. 6200 - Adult Education)

**Note: Education Code 221.2-221.3 (the California Racial Mascot Act), as added by AB 30 (Ch. 767, Statutes of 2015), declare the use of racially derogatory or discriminatory school or athletic team names, mascots, or nicknames in public schools to be contrary to an equal education and specifically prohibit public schools from using the term "Redskins" as a school or athletic team name, mascot, or nickname beginning January 1, 2017. The following paragraph expands this prohibition to include any racially derogatory or discriminatory athletic team name, mascot, or nickname and may be revised to reflect district practice.**

**District programs and activities shall also be free of any racially derogatory or discriminatory school or athletic team names, mascots, or nicknames.**

Note: Pursuant to Education Code 221.5, ~~as amended by AB 1266 (Ch. 85, Statutes of 2013),~~ a district is required to permit a student to participate in sex-segregated school programs and activities, including athletic teams and competitions, and to use facilities consistent with the student's gender identity, regardless of his/her gender as listed on his/her educational records. **See BP/AR 5145.3 - Nondiscrimination/Harassment.** ~~It should be noted that an attempt is currently in progress to qualify a referendum on AB 1266 for the November 2014 ballot. However, even as the eventual outcome is unknown as of this writing, the district still has an obligation under other existing state and federal laws to accommodate the needs of transgender and gender nonconforming students; see BP/AR 5145.3 - Nondiscrimination/Harassment. Districts with questions about the rights of transgender and gender nonconforming students should consult legal counsel as appropriate. For further information, see CSBA's policy brief Providing a Safe, Nondiscriminatory School Environment for Transgender and Gender-Nonconforming Students and its Interim Updated Legal Guidance: Regarding Protecting Transgender and Gender Nonconforming Students Against Sex Discrimination, Privacy, and Facilities.~~

Annually, the Superintendent or designee shall review district programs and activities to ensure the removal of any **derogatory or discriminatory name, image, practice, or other** barrier that may unlawfully prevent an individual or group in any of the protected categories stated above from accessing district programs and activities, ~~including the use of facilities~~. He/she shall take prompt, reasonable actions to remove any identified barrier. The Superintendent or designee shall report his/her findings and recommendations to the Board after each review.

(cf. 1330 - Use of Facilities)

**All allegations of unlawful discrimination in district programs and activities shall be investigated and resolved in accordance with the procedures specified in AR 1312.3 - Uniform Complaint Procedures.**

BP 0410(c)

## **NONDISCRIMINATION IN DISTRICT PROGRAMS AND ACTIVITIES** (continued)

*(cf. 1312.3 - Uniform Complaint Procedures)*

Note: Many nondiscrimination laws and regulations contain a notification requirement. For example, pursuant to 34 CFR 104.8 and 106.9, a district that receives federal aid is required to take "continuing steps" to notify students, parents/guardians, employees, employee organizations, and applicants for admission and employment that it does not discriminate on the bases of disability and sex in its educational programs or activities. **In addition, Education Code 221.61, as added by SB 1375 (Ch. 655, Statutes of 2016), requires that, on or before July 1, 2017, districts must post specified information relating to Title IX on their web sites.** To ensure consistent implementation of the laws, the same notification requirement should be adopted for all the protected categories as provided in the following paragraph.

Pursuant to 34 CFR 104.8 and 34 CFR 106.9, the Superintendent or designee shall notify students, parents/guardians, employees, employee organizations, applicants for admission and employment, and sources of referral for applicants about the district's policy on nondiscrimination and related complaint procedures. Such notification shall be included in each announcement, bulletin, catalog, handbook, application form, or other materials distributed to these groups **and, as applicable, to the public. As appropriate, such notification shall be posted in district schools and offices, including staff lounges, student government meeting rooms, and other prominent locations and shall be posted on the district's web site and, when available, district-supported social media.**

*(cf. 1113 - District and School Web Sites)*

*(cf. 1114 - District-Sponsored Social Media)*

*(cf. 4112.9/4212.9/4312.9 - Employee Notifications)*

*(cf. 5145.6 - Parental Notifications)*

Note: Pursuant to Education Code 48985, when 15 percent or more of students enrolled in a school speak a single primary language other than English, all notices and reports sent to the parents/guardians of these students must also be written in the primary language and may be answered by the parent/guardian in English or the primary language. In addition, 20 USC 6311 and 6312 require that districts receiving Title I funds provide parent/guardian notices in an understandable and uniform format and, to the extent practicable, in a language that parents/guardians understand.

The district's nondiscrimination policy and related informational materials shall be published in a format that parents/guardians can understand. In addition, when 15 percent or more of a school's students speak a single primary language other than English, those materials shall be translated into that other language.

### **Access for Individuals with Disabilities**

Note: Pursuant to the ADA and its implementing regulations, 28 CFR 35.150 and 35.151, district facilities must be accessible to and usable by individuals with disabilities. Compliance methods may include equipment redesign, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, and alteration of existing facilities and construction of new facilities. In achieving compliance, a district need not make structural changes to existing facilities if other methods are effective and the district can demonstrate that the structural change would result in a fundamental

BP 0410(d)

**NONDISCRIMINATION IN DISTRICT PROGRAMS AND ACTIVITIES** (continued)

alteration in the nature of the activity or an undue financial or administrative burden. However, pursuant to 28 CFR 35.151, all newly constructed facilities must comply with the 2010 ADA Standards for Accessible Designs issued by the U.S. Department of Justice.

In addition, pursuant to 28 CFR 35.136, a district must permit an individual with a disability to be accompanied by a service animal on district premises when, without the animal's assistance, the individual with a disability will not be able to access or participate in a district program or activity. For language addressing this mandate, see AR 6163.2 - Animals at School. Districts with questions about compliance with the ADA should consult with legal counsel as appropriate.

District programs and facilities, viewed in their entirety, shall be in compliance with the Americans with Disabilities Act **(ADA)** and any implementing standards and/or regulations. **When structural changes to existing district facilities are needed to provide individuals with disabilities access to programs, services, activities, or facilities, the Superintendent or designee shall develop a transition plan that sets forth the steps for completing the changes.**

*(cf. 6163.2 - Animals at School)*

*(cf. 7110 - Facilities Master Plan)*

*(cf. 7111 - Evaluating Existing Buildings)*

Note: Pursuant to 28 CFR 35.130 and 35.160, the ADA requires districts to provide services and aids to ensure that a disabled individual is not excluded from participation or denied a benefit, service, or program on the basis of a disability. However, if the district can show that providing such aids and services would fundamentally alter the nature of the function, program, or meeting or would be an undue burden, then the district need not provide them.

In addition, Government Code 54953.2 requires that all Board meetings meet the protections of the ADA and implementing regulations (28 CFR 35.160 and 36.303). In effect, the district must ensure that such meetings are accessible to persons with disabilities and that, upon the request of any person with a disability, disability-related accommodations, such as auxiliary aids and services, are made available.

**A U.S. Department of Justice technical assistance publication, Accessibility of State and Local Government Websites to People with Disabilities, affirms that the ADA applies to district-sponsored web sites. Examples of technical standards for web site accessibility are available from the World Wide Web Consortium, California Department of Education's standards for state web sites, and other sources; see BP 1113 - District and School Web Sites.**

The Superintendent or designee shall ensure that the district provides appropriate auxiliary aids and services when necessary to afford individuals with disabilities equal opportunity to

participate in or enjoy the benefits of a service, program, or activity. These aids and services may include, but are not limited to, qualified interpreters or readers, assistive listening devices, **assistive technologies or other modifications to increase accessibility to district and school web sites**, notetakers, written materials, taped text, and Braille or large print materials. Individuals with disabilities shall notify the Superintendent or principal if they have a disability that requires special assistance or services. Reasonable notification should be given prior to **the a** school-sponsored function, program, or meeting.

*(cf. 6020 - Parent Involvement)*

*(cf. 9320 - Meetings and Notices)*

*(cf. 9322 - Agenda/Meeting Materials)*

**Note: Pursuant to 28 CFR 35.107, a district that has 50 or more employees is required to designate at least one employee to coordinate the district's efforts to comply with the ADA. The designated employee could be the same individual or position responsible for the district's compliance with state and federal laws and regulations governing educational programs as identified in the district's uniform complaint procedures. The following paragraph, which identifies the person or position identified in the AR 1312.3 - Uniform Complaint Procedures as the responsible employee, may be modified if the district chooses to designate another person or position.**

**The individual identified in AR 1312.3 - Uniform Complaint Procedures as the employee responsible for coordinating the district's response to complaints and for complying with state and federal civil rights laws is hereby designated as the district's ADA coordinator. He/she shall receive and address requests for accommodation submitted by individuals with disabilities, and shall investigate and resolve complaints regarding their access to district programs, services, activities, or facilities.**
