**TO:** Wendy S. Tukloff, Ed.D., Superintendent  
For Board of Trustees

**FROM:** Ray Avila, Associate Superintendent

**SUBJECT:** Classified Management Salary Schedule – REVISION  
(Action)

---

Recommendation:

It is recommended the Board approve the Classified Management Salary Schedule to become effective at the beginning of the 2017-2018 school year.

Background:

As presented at the January 11, 2017 Pacifica School District Board of Trustees Work Study, Pacifica School District has interest in restructuring our Integrated Services and Human Resources organizational charts for management level positions. Part of this reorganization is the elimination of the Director, LMEC position and the creation of a Supervisor, Behavioral Program and Related Services position.

The attached revised classified management salary schedule reflects the deletion of the Director II, LMEC position and Occupational Therapist, Program Director II and the addition of the Program Supervisor, Behavior and Related Services. This revised salary schedule will be implemented as of July 1, 2017.

There will be no fiscal impact as a result of these revisions even though the daily rate is higher than the Behavior Program Supervisor because the position created will work less days.
