**SUBJECT:** December 2016 Special Release Manual Maintenance BP3470  
(Second Reading)

### Background

Board Policy 3470 Debt Issuance and Management was part of the December 2016 CSBA Special Release Manual Maintenance for Board Policies provided by the California School Board Association, GAMUT.

CSBA provides sample Bylaws, Board Policies and Administrative Regulations reflecting any legislative changes approximately three times each year with descriptions identifying major changes in revised materials as well as editorial changes or technical revisions. Staff compares the CSBA sample policies to current policies. The attached policy reflects the new mandated policy BP3470 Debt Issuance and Management.

No substantial changes were made during the First Reading of the policies. Any notation boxes are removed in the final version which will be available on line approximately 30 days after the Board adopts the revisions.

A master binder of new and revised policies is located in the Office of the Superintendent.
