### Recommendation

It is recommended that the Board approve the following Resolution:

Resolution No. 2017-03-08-I – Resolution on Release of Temporary Certificated Employees  
(Ed Code Section 44954).

### Background

Each year teachers are released from employment from the district based upon temporary status due to either being of part-time status, not fully credentialed, or in an assignment for a permanent teacher on leave. Teachers who are released from employment can be rehired for a following school year if there is a need and they have the proper credential status.
