### Recommendation

It is recommended that the Pacifica School District Board of Trustees approve Resolutions No. 2017-03-08-A through 2017-03-08-H in appreciation of the support provided to the Pacifica School District by our many parent volunteers in order to provide a strong educational program for our students.

### Background

Parent organizations and volunteers play an extremely important role in the success of schools and the school district. With April celebrated as the Month of the Young Child (MOYC), it is the desire of the Board of Trustees to underscore the importance and appreciation for our Pacifica School District parents through formal resolutions acknowledging the contributions of these wonderful parent organizations and volunteers.
