FEES AND CHARGES

Note: Pursuant to 5 CCR 350, districts may charge fees only when specifically authorized by law. The following list specifies fees currently authorized by law **and should be revised to reflect the types of fees that have been approved by the Governing Board; see the accompanying Board policy.** Other permissible fees may exist and be identified in the future. **For further information about fees and charges, see the California Department of Education's (CDE) Fiscal Management Advisory 12-02, Fees, Deposits and Other Charges.**

Pursuant to Education Code 49011, a district is prohibited from requiring a student to pay fees or charges in order to participate in an educational activity. A complaint alleging the unauthorized charging of student fees may be filed in accordance with the uniform complaint procedures; see the accompanying Board policy and BP/AR 1312.3 - Uniform Complaint Procedures. Districts with questions as to whether a particular fee may be charged should consult with legal counsel.

When approved by the Governing Board, the Superintendent or designee may impose a fee for the following: (5 CCR 350)

1. Insurance for athletic team members, with an exemption providing for the district to pay the cost of the insurance for any team member who is financially unable to pay (Education Code 32221)

(cf. 5143 - Insurance)

2. Insurance for medical or hospital service for students participating in field trips and excursions (Education Code 35331)

Note: In its Fiscal Management Advisory 12-02, the CDE interprets Education Code 35330 as permitting the district, at its discretion, to charge fees for any field trip, provided that no student is prevented from participating in a field trip due to a lack of funds. However, Education Code 35330 prohibits the use of district funds or district transportation allowances for an out-of-state field trip, and thus the district must charge participating students a fee for such trips and/or use non-district funds such as donations from a parent-teacher or community organization, education foundation, or school fundraiser specifically designated for this purpose.

3. Expenses of students' participation in a field trip or excursion **within the state or** to another state, the District of Columbia, or a foreign country, as long as no student is prohibited from making the field trip due to lack of funds (Education Code 35330)

(cf. 6153 - School-Sponsored Trips)

4. Student fingerprinting program, as long as the fee does not exceed the actual costs associated with the program (Education Code 32390)
