### Background

Pacifica School District Board of Education Trustees are members of the San Mateo County School Boards Association, who are affiliated with the California School Boards Association (CSBA). The purposes of SMCSBA are:

1. To provide an organization through which the school trustees of San Mateo County can speak with a collective voice on educational issues and legislation.
2. To exchange ideas regarding the policies of school districts, the community college, and county office of education in San Mateo County.
3. To provide professional development for the San Mateo County School trustees.
4. To collaborate with organizations and agencies which service our youth, and to communicate with trustees throughout San Mateo County.

The governing board of any school district located in San Mateo County, including the Community College District and the San Mateo County Board of Education, are eligible for membership in SMCSBA.

The SMCSBA are governed by a Board of Directors. Members on the Board of Directors are selected by a Nomination Committee, with the slate of officers voted on at an Annual Meeting. The election for the proposed 2017-18 slate will be held at the J. Russell Kent Awards ceremony on May 22, 2017. We are very pleased to announce that Trustee Levin is on the slate of officers to serve as Representative, Area 2.
