MEMORANDUM

Human Resources and Integrated Services

Meeting of

6/7/17

TO: Wendy S. Tukloff, Ed.D., Superintendent
for Board of Trustees

FROM: Ray Avila, Associate Superintendent

SUBJECT: Student Teaching Internship Agreement between the District and the San Francisco State University
(Consent)

Recommendation

It is recommended that the Board approve the Agreement to Place Student Teachers, Adapted PE, and Administrative Interns between the District and San Francisco State University for the period of July 1, 2017 to June 30, 2020.

Rationale

The education code allows school districts to enter into agreements with universities and colleges which are accredited by the California Commission on Teaching to provide student teaching and experience for students enrolled in a teacher training program.

Approval of this agreement would allow for teaching, adapted physical education (APE) training, and administrative experiences through practice teaching or APE or administrative supervision from the San Francisco State University for the upcoming school years. Establishment of a partnership with San Francisco State University in the training of future teachers and administrators is in the best interest of the District.

A copy of this agreement will be on file in Human Resource Services and is attached for review.
