MEMORANDUM

Integrated Services and Human Resources

Meeting of

06/14/17

TO: Wendy S. Tukloff, Ed.D., Superintendent
For Board of Trustees

FROM: Ray Avila, Associate Superintendent

SUBJECT: Approval of Memorandum of Understanding between the District and San Bruno Park School District for Adaptive Physical Education Services Agreement (Consent)

Recommendation -

It is recommended the Board approve the Memorandum of Understanding between the District and the San Bruno Park School District (SBPSD) for an Adaptive Physical Education Services Agreement.

Rationale-

The current PSD Adaptive Physical Education (APE) teacher has been in a shared work assignment for the 16-17 school year with SBPSD. The District would like to collaborate again with San Bruno Park School District for an agreement that allows the PSD APE teacher to work 60% of the school year in our District providing APE services and 40% of the school year in SBPSD providing APE services. This assignment has been successful for both districts and the employee involved.

Approval of this agreement would allow for PSD to share our .60FTE APE teacher with SBPSD, who in return will fund the .40FTE total compensation of this employee. This agreement would be in the best interest of the District, thus allowing us to retain this highly qualified employee. Attached is a copy of the agreement for review.
