MEMORANDUM

Human Resources

Meeting of

8/23/17

TO: Board of Trustees
FROM: Wendy Tukloff, Ed.D, Superintendent
SUBJECT: Provisional Internship Permit
(Action)

Recommendation

It is recommended that the Pacifica School District Board of Education approve the Provisional Internship Permit (PIP) for Mr. Shakeel Ali.

Background

Pacifica School District has been in search of a resource specialist instructor for Ingrid B. Lacy (IBL) Middle School. This teaching position provides direct instructional services to students in grades 6-8 identified by the Individualized Education Program specifically in the area of English Language Arts (ELA). We have posted both internally and externally using methods such as EdJoin, a statewide on-line application system.

After completing the interview process, we have offered the position to Mr. Shakeel Ali pending the Pacifica School District Board of Education approval of the Provisional Internship Permit. Mr. Ali must obtain a Provisional Internship Permit in order to be qualified to teach in the classroom setting as set by the guidelines of the Commission on Teacher Credentialing because he does not currently hold a teaching credential. Should the Provisional Internship Permit (PIP) be approved, Mr. Ali will then have one year to enter an internship program, the next step to receiving a teaching credential.

The Special Education Department has agreed to provide a mentor and training and also supports this decision to grant Mr. Ali the Provisional Internship Permit and hire him as the instructor for the Resource Specialist Program at IBL Middle School, focused on ELA.
