## MEMORANDUM

*Office of the Superintendent*

Meeting of September 13, 2017

**TO:** Board of Trustees  
**FROM:** Wendy S. Tukloff, Ed.D., Superintendent  
**SUBJECT:** Bilingual Master Plan

---

### Background

Over the last few years California has undergone many changes in relation to effective teaching and monitoring strategies in relation to English language development (ELD). The last time the Pacifica School District Bilingual Master Plan was reviewed was in June 2012. The attached document is an update to the current plan. Highlights include:

- ✓ Updated for current labels and current practices
- ✓ Changed the information on monitoring progress of English Learners to the California School Dashboard (p. 4)
- ✓ Included under reclassification process for English Learners with Individualized Educational Plans (IEPs) (p. 15)

As the state continues to make changes to the English Language Development programs, Pacifica School District will update the plan.

We thank the district-wide ELD Committee for their input and guidance. A marked up copy of the plan is attached along with a clean copy for ease of reading.
