**TO:** Board of Trustees  
**FROM:** Wendy S. Tukloff, Ed.D., Superintendent  
**SUBJECT:** Credential Internship Agreement between the District and University of Phoenix  
(Consent)

### Recommendation

It is recommended that the Board approve the Interagency Agreement to place Credentialed Interns between the District and University of Phoenix, in effect for the period from October 26, 2017 through June 15, 2018. This contract has been updated to address new regulations pursuant to California Ed Code 44321 regarding the support and supervision of interns.

### Rationale:

The education code allows school districts to enter into agreements with universities and colleges which are accredited by the California Commission on Teaching to provide support to interns and clinical experience for students enrolled in an intern teacher/administrator training program.

Approval of this agreement would allow for placement of interns from University of Phoenix in the training of future teachers, and is in the best interest of the District.

A copy of this agreement will be on file in Human Resource Services and is attached for review.
