SUBJECT: **Local Control Accountability Plan (LCAP) Local Indicators**

Background

The Local Control Accountability Plan (LCAP) is a tool for local educational agencies to set goals, plan actions, and leverage resources to meet those goals to improve student outcomes. Pacifica School District Board of Education Trustees approved the 2017-20 LCAP at the June 14, 2017 Board Meeting.

The state monitors school districts' progress through the California Dashboard that is also accessible to the public at large. Broken into two focus areas of State Indicators and Local Indicators the presentation will review the evaluation rubric and focus on the Pacifica School District Local Indicators for the Trustees review, insights, and input.
