LOCAL CONTROL AND ACCOUNTABILITY PLAN

Note: Education Code 52060-52077 require the Governing Board to adopt and annually update, on or before July 1, a three-year local control and accountability plan (LCAP). See the accompanying Board policy for information about plan development and monitoring.

Goals and Actions Addressing State and Local Priorities

Note: Education Code 52060 requires that the LCAP include annual goals, aligned with specified state priorities, to be achieved for all students and for each numerically significant subgroup as defined in Education Code 52052. Pursuant to Education Code 52052, ~~as amended by AB 104 (Ch. 13, Statutes of 2015)~~, a numerically significant subgroup includes ethnic subgroups, socioeconomically disadvantaged students, English learners, students with disabilities, foster youth, and homeless students, when there are at least 30 students in the subgroup (or at least 15 foster youth or homeless students) in the school or district. For schools or districts with 11-99 students, numerically significant student subgroups are defined by the Superintendent of Public Instruction (SPI) with approval by the State Board of Education (SBE).

In addition, several state priorities address programs and services for "unduplicated students." For purposes of supplemental and concentration grants allocated through the local control funding formula (LCFF), "unduplicated students" are defined by Education Code 42238.02 as students eligible for free or reduced-price meals, English learners, and foster youth; see the accompanying Board policy.

The district's local control and accountability plan (LCAP) shall include, for the district and each district school: (Education Code 52060)

1. A description of the annual goals established for all students and for each numerically significant subgroup as defined in Education Code 52052, including ethnic subgroups, socioeconomically disadvantaged students, English learners, students with disabilities, foster youth, and homeless students. The LCAP shall identify goals for each of the following state priorities:
 - a. The degree to which district teachers are appropriately assigned in accordance with Education Code 44258.9 and fully credentialed in the subject areas and for the students they are teaching; every district student has sufficient access to standards-aligned instructional materials as determined pursuant to Education Code 60119; and school facilities are maintained in good repair as specified in Education Code 17002

LOCAL CONTROL AND ACCOUNTABILITY PLAN (continued)

- b. Implementation of the academic content and performance standards adopted by the State Board of Education (SBE), including how the programs and services will enable English learners to access the Common Core State Standards and the English language development standards for purposes of gaining academic content knowledge and English language proficiency

(cf. 6011 - Academic Standards)

(cf. 6174 - Education for English Learners)

- c. Parent/guardian involvement, including efforts the district makes to seek parent/guardian input in district and school site decision making and how the district will promote parent/guardian participation in programs for unduplicated students, as defined in Education Code 42238.02 and Board policy, **and students with disabilities**

(cf. 3553 - Free and Reduced Price Meals)

(cf. 6020 - Parent Involvement)

(cf. 6173.1 - Education for Foster Youth)

Note: Pursuant to Education Code 52060, the LCAP must address student achievement as measured by specified indicators, including the Academic Performance Index (API), as applicable. However, the API has been replaced by the California School Dashboard, which examines the performance of schools, districts, and defined student groups on measures of academic performance, high school graduation rate, English learner progress, college/career preparation, suspension rate, and chronic absenteeism. Thus, item #1d below does not include the API. Districts may use data from the Dashboard, along with the other specified indicators, to develop goals related to student achievement.

- d. Student achievement, as measured by all of the following as applicable:

- (1) Statewide assessments of student achievement

~~(2) Academic Performance Index~~

~~(2) The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study that satisfy specified requirements and align with SBE-approved career technical education standards and frameworks, including, but not limited to, those described in Education Code 52302, 52372.5, or 54692~~

- h. Student outcomes, if available, in the subject areas described in Education Code 51210 and 51220, as applicable

Note: In addition to goals aligned with the state priorities described in item #1 above, Education Code 52060 provides that the LCAP may include goals for local priorities established by the Board; see the accompanying Board policy. **Optional** item #2 below may be revised to reflect local priorities.

Note: Pursuant to Education Code 52060, in developing goals and actions for the LCAP, the Board may consider qualitative information, including, but not limited to, the results of school quality reviews conducted pursuant to Education Code 52052. Education Code 52052 authorizes the SPI, with approval of the SBE and conditional upon an appropriation in the state budget, to develop and implement a program of school quality reviews that features locally convened panels to visit schools, observe teachers, interview students, and examine student work.

For purposes of the descriptions required by items #1-3 above, the Board may consider qualitative information, including, but not limited to, findings that result from any school quality reviews conducted pursuant to Education Code 52052 or any other reviews. (Education Code 52060)

For any local priorities addressed in the LCAP, the Board and Superintendent or designee shall identify and include in the LCAP the method for measuring the district's progress toward achieving those goals. (Education Code 52060)

To the extent practicable, data reported in the LCAP shall be reported in a manner consistent with how information is reported on a school accountability report card. (Education Code

students; see BP 3100 - Budget. 5 CCR 15494-15496, as amended by Register 2015, No. 2, specify the method for determining the percentage by which services for unduplicated students must be increased or improved above services provided to all students in the fiscal year.

The LCAP shall demonstrate how the district will increase or improve services for unduplicated students at least in proportion to the increase in funds apportioned on the basis of the number and concentration of unduplicated students. (5 CCR 15494-15496)

Note: Whenever a district chooses to expend supplemental or concentration funds on a districtwide or schoolwide basis, it is required pursuant to 5 CCR 15496, as amended by Register 2015, No. 2, to include the following components in its LCAP.

When the district expends supplemental and/or concentration **grant** funds on a districtwide or schoolwide basis during the year for which the LCAP is adopted, the district's LCAP shall: (5 CCR 15496)

1. Identify those services that are being funded and provided on a districtwide or schoolwide basis
2. Describe how services are principally directed towards, and are effective in, meeting the district's goals for unduplicated students in the state priority areas and any local priority areas
3. If the enrollment of unduplicated students is less than 55 percent of district enrollment or less than 40 percent of school enrollment, describe how these services are the most effective use of the funds to meet the district's goals for its unduplicated students in the state priority areas and any local priority areas. The description shall provide the basis for this determination, including, but not limited to, any alternatives considered and any supporting research, experiences, or educational theory. (~~5 CCR 15496~~)
