MEMORANDUM

Office of the Superintendent

Meeting of December 6, 2017

TO: Board of Trustees
FROM: Wendy S. Tukloff, Ed.D., Superintendent
SUBJECT: Board of Trustees Committee Assignments, 2018

Background

It is recommended that the Pacifica School District Board of Trustees adopt committee assignments for the 2018 calendar year.

Each year the Board makes a determination about its committees and Board representation. Attached is the 2017 list of committees and current Trustee assignments. This past year we added a subcommittee for the Oddstad project on Workforce Housing and have modified the Strategic Plan title to include the LCAP.

Please note, the Board of Trustees has established attendance criteria for committee assignments:

“Board members are expected to attend sub-committee meetings. If a Board member misses three meetings during the year without calling for a substitute, s/he may be removed from the sub-committee by the Board president and replaced with another member”.

During the meeting we will process to determine representatives for the various committees.
