BARGAINING UNITS

4340

Note: Pursuant to Government Code 3544, an employee organization may become the employees' exclusive representative for negotiations by filing a request with the district providing proof that a majority of the employees in an appropriate unit wish to be represented by that organization. Notice of such request must be immediately posted conspicuously on all employee bulletin boards in each district facility in which members of the unit are employed. Government Code 3544.1 requires the district to grant the request for recognition unless (1) the district doubts the appropriateness of the unit, (2) another employee organization files a challenge to the appropriateness of the unit or submits a competing claim of representation within 15 work days of the posting of notice of the written request, or (3) the district currently has a lawful written agreement with another employee organization representing the same employees.

AB 501 (Ch. 674, Statutes of 2011) amended Pursuant to Government Code 3540.1, to expand the definition of "exclusive representative" to include representation of "all public school employees" other than management and confidential employees, as defined. Thus, employees such as noon-time aides who are neither certificated nor classified employees (e.g., noon-time duty aides) now have the right to may be represented.

In addition, AB 501 amended Government Code 3540.1, to expand the definition of "public school employer" to include a joint powers agency (JPA) provided that the JPA is a separate entity with its own employees and meets one of the following criteria: (1) it provides educational services primarily performed by school districts, county boards of education, or county superintendents of schools; (2) a school district, county board of education, or county superintendent of schools is designated as a party to the joint powers agreement pursuant to Government Code 6503.5; or (3) the JPA is comprised solely of educational agencies.

Education Government Code 3543 provides that public school employees have the right to represent themselves individually in their employment relations with the district except that, once an exclusive representative has been recognized, an employee in that unit is prohibited from meeting and negotiating with the district.

The Governing Board recognizes the right of district employees to form a bargaining units, select an employee organization as their exclusive representative, and be represented by that organization in their employment relationship with the district. The Board is committed to negotiating in good faith with recognized employee organizations and respecting the rights of employees and employee organizations.

(cf. 4141/4241 - Collective Bargaining Agreement)
(cf. 4143/4243 - Negotiations/Consultation)
(cf. 9000 - Role of the Board)

The district shall not dominate or interfere with the formation or administration of any employee organization or contribute financial or other support to it. (Government Code 3543.5)

Note: Government Code 3550, as added by SB 285 (Ch. 567, Statutes of 2017), prohibits a district from deterring or discouraging employees from becoming or remaining members of an employee organization.

~~Neither the district nor the employee organization~~ **The district shall not deter or discourage employees from becoming or remaining members of an employee organization,** impose or threaten to impose reprisals on employees, discriminate or threaten to discriminate against employees, or otherwise interfere with, restrain, or coerce employees because of their membership or nonmembership in an employee organization. (Government Code 3543.5, ~~3543.6~~ **3550**)

(cf. 4119.1/4219.1/4319.1 - Civil and Legal Rights)

Formation of Bargaining Units

Certificated and classified employees shall not be included in the same bargaining unit. (Government Code 3545)

The district may recognize a bargaining unit of supervisory employees if: (Government Code 3545)

1. The bargaining unit includes all supervisory employees.
2. The supervisors are not represented by the same organization that represents employees whom the supervisory employees supervise.

(cf. 4300 - Administrative and Supervisory Personnel)

(cf. 4301 - Administrative Staff Organization)

(cf. 4312.1 - Contracts)

For this purpose, *supervisory employee* means any employee, regardless of job description, having the authority, in the interest of the district, to hire, transfer, suspend, layoff, recall, promote, discharge, assign, reward, discipline, assign work, direct, adjust grievance of other employees, or effectively recommend that action. The exercise of this authority shall not be merely routine or clerical in nature, but shall require the use of independent judgment. (Government Code 3540.1)

Note: Pursuant to Government Code ~~3540.1~~ 3543.4, management and confidential employees, as defined in Government Code 3540.1, are excluded from the right to be represented in negotiations by an employee organization. The Public Employment Relations Board ultimately determines, based upon the duties of the position, which positions qualify as "management" or "confidential" and thus are excluded from bargaining, as detailed below.

Employees serving in management, senior management, or confidential positions shall not be represented by an exclusive representative. Such employees may represent themselves

individually or may be represented by an employee organization whose membership is composed entirely of employees designated as holding those positions. ~~but~~ **When represented by an employee organization**, that organization shall not meet and negotiate with the district. For this purpose: (Government Code 3540.1, 3543.4)

1. *Management employee* means any employee who has significant responsibilities for formulating district policies or administering district programs, and whose position is designated as a management position by the Board.
2. *Confidential employee* means any employee who is required to develop or present management positions with respect to employer-employee relations or whose duties normally require access to confidential information that is used to contribute significantly to the development of management positions.

Access to Employee Orientations and Contact Information

Note: Pursuant to Government Code 3556, as added by AB 119 (Ch. 21, Statutes of 2017), districts are required to provide recognized employee organizations access to new employee orientations, as defined, and to give at least 10 days' notice in advance of any such orientation. However, shorter notice may be provided if an unforeseeable urgency critical to the district's operations prevents giving the required 10 days' notice.

Government Code 3556 and 3557, as added by AB 119, require that the structure, time, and manner of access to new employee orientations be determined by mutual agreement of the district and employee organization. If the parties fail to reach an agreement regarding the new employee orientation, the negotiations become subject to compulsory interest arbitration. Although districts are required to negotiate how access is provided to employees, they are not required to negotiate the manner in which onboarding is conducted.

The district shall permit employee organizations access to new employee orientations where newly hired employees are advised, whether in person, online, or through other means or mediums, of their employment status, rights, benefits, duties, responsibilities, or any other employment-related matters. The district shall provide employee organizations at least 10 days' notice in advance of an orientation. However, in any specific instance where an unforeseeable, urgent need critical to the district's operation prevents the required 10 days' notice, a shorter notice may be provided. (Government Code 3555.5, 3556)

The structure, time, and manner of the access to new employee orientations shall be determined by mutual agreement of the district and the exclusive representative, following a request to negotiate by either party. If the district and exclusive representative fail to reach an agreement, matters related to the access to new employee orientation shall be subject to compulsory interest arbitration. The district and employee organization may mutually agree to submit any dispute to compulsory interest arbitration at any time. In addition, if any dispute arises during negotiations

and is not resolved within 45 days after the first meeting or within 60 days after the initial request to negotiate, whichever is earlier, either party may make a demand for compulsory interest arbitration. When any such dispute arises during the summer when the district's administrative office is closed, the timeline shall commence on the first day the administrative office reopens. The decision of the arbitrator shall be final and binding on the parties. (Government Code 3556, 3557)

~~Note: Government Code 6254.3 authorizes disclosure of an employee's home address and home telephone number to an employee organization unless the district receives a written request by the employee to not disclose the information. The appeals court in County of Los Angeles v. Service Employees International Union, Local 721 clarified that nonmembers or agency fee payers have a reasonable expectation of privacy and thus are entitled to notice and an opportunity to object before the disclosure of their personal information. This case has been appealed to the California Supreme Court.~~

Pursuant to Government Code 3558, as added by AB 119 (Ch. 21, Statutes of 2017), districts are required to provide recognized employee organizations with specified contact information for new employees in the bargaining unit, as provided below. The information required by Government Code 3558 must be provided in a manner consistent with Government Code 6254.3, which authorizes disclosure of an employee's home address, home telephone number(s), and personal cell phone number to an employee organization unless the district receives a written request by the employee to not disclose the information. Pursuant to Government Code 6254.3, as amended by AB 119, the personal email address of an employee is not disclosable unless used by the employee to conduct public business. The following paragraph should be revised if districts have an agreement with their employee organization(s) requiring more frequent or more detailed contact lists.

In County of Los Angeles v. Service Employees International Union, Local 721, the California Supreme Court held that (1) an employer has a duty to provide information relevant to collective bargaining to the applicable bargaining unit and failure to do so is a violation of the employer's obligation to bargain in good faith; (2) the disclosure of an employee's home address and phone number(s) by an employer to the union does not violate the employee's constitutional right of privacy; and (3) other avenues for implementing privacy safeguards are available, such as bargaining for a notice and opt-out procedure or drafting employment contracts that will notify employees that their home contact information is subject to disclosure to the union and that they may request nondisclosure.

~~The Superintendent or designee may provide an employee organization with the home address and home telephone number of employees, except any employees performing law enforcement-related functions and any employees who provide written request that the information not be disclosed for this purpose. shall provide an exclusive representative with the name, job title, department, work location, telephone numbers (work, home, and personal cell phone), personal email address(es) on file with the district, and home address of any newly hired employee in the bargaining unit, within 30 days of hire or by the first pay period of the month following hire. In addition, the Superintendent or designee shall provide the same information on all employees in the bargaining unit to an exclusive representative at least every 120 days, unless more frequent or detailed lists are required by agreement with the exclusive representative. (Government Code 3558, 6254.3)~~

However, the Superintendent or designee shall not disclose the home address and any phone numbers on file for employees performing law enforcement-related functions, nor shall he/she disclose the home address, home or personal cell phone number(s), or personal email address(es) of any employee who is a participant in the Safe at Home address confidentiality program pursuant to Government Code 6207 or any employees who provides written request that the information not be disclosed for this purpose. Following receipt of a written request, the district shall remove the employee's home address, home and personal cell phone numbers, and personal email address from any mailing list maintained by the district unless the list is only used by the district to contact the employee. (Government Code 3558, 6207, 6254.3)

(cf. 1340 - Access to District Records)

Payment of Dues or Service Fee

Note: Pursuant to Government Code 3546, all employees in a classification represented by an employee organization are required to pay a fee to the employee organization to cover the costs of negotiations, contract administration, and other activities that are germane to its function as the exclusive bargaining representative (i.e., "agency fee" arrangements, which require employees to either join the union or pay a "fair share service fee"). However, the constitutionality of agency fee statutes such as Government Code 3546 is a legal issue currently before the U.S. Supreme Court in Janus v. American Federation of State, County, and Municipal Employees.

Upon the written request of a recognized employee organization, the Superintendent or designee shall deduct the amount of organization dues or the fair share service fee, determined in accordance with Government Code 3546, from the wages and salary of each employee represented by that employee organization and shall pay that amount to the employee organization. (Education Code 45060, 45168; Government Code 3546)

Any employee who is a member of a religious body whose traditional tenets or teachings include objections to joining or financially supporting employee organizations shall not be required to join, maintain membership in, or financially support any employee organization as a condition of employment. However, such an employee may be required to pay an amount equal to the service fee to a designated charitable fund. (Government Code 3546.3)

Each employee organization shall, within 60 days after the end of its fiscal year, provide the Board and the employees who are members of the organization with a detailed financial report consisting of a balance sheet and an operating statement. If the employee organization fails to provide the financial report, the Board may issue an order compelling the organization to provide the financial report or any employee within the organization may petition the Board for such an order. (Government Code 3546.5)
