He expressed he feels somewhat hopeful about the current negotiations and that things have seemed to turn back to somewhat resemble the Interest-Based Bargaining process that has been used in the past. LSEA is still disappointed that the District declared impasse and would ask that the Board take action to end the impasse process. He also shared they do believe that the District would like to provide the teachers with higher salaries and full benefits, and understand this is not possible.
- 3) Charlotte Jacobs - teacher at Cabrillo School, welcomed the new Board members, and shared the teachers are looking forward to working towards a resolution and restoration of positive feelings throughout the district.

Ms. Gould shared that the Board has to remain in compliance with the Brown Act and are not allowed to respond to issues raised by those addressing the Board in Open Communications. However, she did want to acknowledge that the Board hears what is being said, and the Board appreciates those who come to the meetings to share their feelings about negotiations. The other Board members thanked those in attendance for the warm welcome, and also assured those addressing the Board that they are being heard.

Dr. Tukloff talked about SBAC, the upgrade to our technology over the summer, and the fact that this is an entirely different kind of testing for our students. Dr. Tukloff also shared about the 12/11/14 closure of the school sites due to the heavy rainfall. She wanted to commend Facilities, Maintenance and Operations, District Office Staff, and site custodians for the outstanding job they did in caring for our facilities, supporting our families and staff, and making certain all issues were addressed before the open of school the next day. She also shared all schools and the District Office were able to close for two full weeks during the winter break, and Dr. Tukloff thanked LSEA and CSEA for working to make this happen for their members. However, Mr. Tan was held up at work and unable to attend. Ms. Peterson provided the Board with an overview of the committee's report. Please refer to the Board Agenda Item and Parcel Tax Expenditures Report attached to this Board Agenda Item. Mr. Levie thanked the Pacifica community for agreeing to fund the Parcel Tax - a very big sacrifice on their part, and one that has certainly helped the district in times of need. The Parcel Tax sunsets in June 2017.

10.b. 2013-2014 Audit Report (7:45 p.m.)

Quick Summary / Abstract:
DISCUSSION/ACTION

Motion Passed: It is recommended that the Governing Board accept the 2013-2014 audit report. Passed with a motion by Mr. Matthew Levie and a second by Mrs. Laverne Villalobos.

Yes Mrs. Elizabeth Bredall
Yes Ms. Andrea Gould
Yes Mr. Matthew Levie
Yes Mrs. Kathy Shiokari
Yes Mrs. Laverne Villalobos

Discussion:

Ms. Peterson introduced Sheldon Chavan of Chavan & Associates, LLP in attendance to provide the Board with the Audit Report. Education Code Section 41020 requires districts to have an external audit conducted on its financial statements annually. The 2013-14 audit report continues to reflect the federal guidelines under Governmental Accounting Standards Board (GASB) 34.

Mr. Chavan provided the highest of praises to Ms. Peterson and her staff,

and the staff at the sites. He indicated there were no findings in the 2013-2014 audit report, and that there were no internal control recommendations in the 2013-2014 audit report.

A copy of the Audit Report, as well as the Power Point Presentation provided by Mr. Chavan, can be found attached to this Board Agenda item on the District's website.

Joan Weideman, community member, wanted to commend Ms. Peterson, the District Office staff, and all of the staff out at the sites who continue to sustain the fiscal responsibility from year to year. It is her hope that this message is disseminated out to the community. She also wanted to share that 60% of the public that vote on Parcel Taxes do not have children in this district.

10.c. School Accountability Report Cards (SARC) (8:15 p.m.)

Quick Summary / Abstract:
DISCUSSION/ACTION

Motion Passed: It is recommended that the Board approve the School Accountability Report Cards for the Pacifica School District " Cabrillo; Ingrid B. Lacy; Ocean Shore; Ortega; Sunset Ridge; and, Vallemar schools. Passed with a motion by Mrs. Elizabeth Bredall and a second by Mrs. Kathy Shiokari.

Yes Mrs. Elizabeth Bredall
Yes Ms. Andrea Gould
Yes Mr. Matthew Levie
Yes Mrs. Kathy Shiokari
Yes Mrs. Laverne Villalobos

Discussion:

The School Accountability Report Card (SARC) is a state mandated document that must be completed every year. It is specifically designed so that the public can view site information that includes: general school information, principal's message, student achievement, parental involvement, professional development, types of services funded, etc.

Ms. Van Raaphorst shared she had made two changes to all of the SARCs since they were originally posted on Agenda Online. At that time the state had not released the suspension and expulsion component, but has done so as of the date of this meeting. The SARCs presented to the Board include those numbers and indicate our reported data is below the state averages. Additionally, Ms. Van Raaphorst indicated we are required to report on Adequate Yearly Progress (AYP), which in the past was gathered via the STAR tests, which are no longer being used. That box now appears as a blank box. That will be changed to reflect n/a.

Ms. Van Raaphorst asked that the SARCs be approved with the changes as noted.

10.d. San Mateo County Committee on School District Organization: Potential Redraw of Trustee Areas for San Mateo County Board of Education (8:25 p.m.)

Quick Summary / Abstract:

INFORMATION/DISCUSSION

Information regarding a potential redraw of Trustee areas for San Mateo County Board of Education.

Discussion:

Dr. Tukloff indicated the County Committee is undergoing a process to redraw the trustee areas for the San Mateo County Board of Education. This review occurs approximately every ten years in order to evaluate the balance of represented populations. The boundaries are reviewed for elementary districts. Education Code stipulates to get as equal in represented populations as achievable. Pacifica School District could be affected by the County Committee's vote. The Board directed Dr. Tukloff to draft a resolution indicating Pacifica School District would be in favor of either the Status Quo or Plan 2 options allowing the District to remain with our fellow Jefferson Union High School partner districts.

10.e. 2nd Quarter Report on Williams Uniform Complaints (8:35 p.m.)

As part of the Williams Settlement, the Pacifica School District must submit a Quarterly Report on Williams Uniform Complaints [Education Code Section 35186] to the San Mateo County Office of Education. Attached is the 2nd Quarter Report on Williams Uniform Complaints.

There were no complaints filed with any school in the Pacifica School District during the 2nd Quarter (October 1, 2014 - December 31, 2014).
