## MEMORANDUM

*Integrated Services and Human Resources*

Meeting of: 2/11/15

**TO:** Wendy S. Tukloff, Ed.D., Superintendent  
For Board of Trustees

**FROM:** Ray Avila, Associate Superintendent

**SUBJECT:** BP 5141.33: Head Lice

---

### Recommendation

It is recommended that the Board of Trustees approve BP 5141.33: Head Lice – the current PSD policy with revisions.

### Background

BP 5141.33 was brought to the Board on November 19, 2014 for information and discussion given that, at a previous Board meeting, two parents expressed their concern regarding lice being spread at the school where their children attend. After information was presented at the November 19<sup>th</sup> meeting, the Board asked the staff to review BP 5141.33 to ensure it is in compliance with what recent research suggests in regards to school-wide screenings and communication with the school community. The revised policy was presented for first reading on January 21, 2015. The Board requested an additional change to the policy; the revision was made on page one.

The revised BP 5141.33 has been placed on the consent agenda for adoption at this Board meeting.
