Board Policy

Child Abuse Prevention And Reporting

USE CSBA WITH REVISIONS

BP 5141.4
Students

The Governing Board is committed to supporting the safety and well-being of district students and desires to facilitate the prevention of and response to child abuse and neglect. The Superintendent or designee shall develop and implement strategies for preventing, recognizing, and promptly reporting known or suspected child abuse and neglect.

The Superintendent or designee may provide a student who is a victim of abuse with school-based mental health services or other support services and/or may refer the student to resources available within the community as needed.

(cf. 1020 - Youth Services)
(cf. 5141.6 - School Health Services)
(cf. 6164.2 - Guidance/Counseling Services)

***Note: The following optional section may be revised to reflect district practice. ***

***Note: Education Code 51220.5 specifies that the district's course of study for grades 7 and/or 8 may include parenting skills education, including instruction on child abuse and neglect; see AR 6143 - Courses of Study. ***

(cf. 6142.8 - Comprehensive Health Education)
(cf. 6143 - Courses of Study)

***Note: The following paragraph is optional. Education Code 51900.6, as added by AB 2016 (Ch. 809, Statutes of 2014), authorizes districts to provide age-appropriate instruction in sexual abuse and sexual assault awareness and prevention in grades K-12, provided that students are allowed to be excused from such instruction upon the written request of their parents/guardians. It also requires the State Board of Education and Superintendent of Public Instruction to consider addressing these issues in the next revision of the state health education content standards and curriculum framework. ***

Child Abuse Reporting

***Note: The Child Abuse and Neglect Reporting Act (Penal Code 11164-11174.3) identifies

Deleted: Child Abuse Prevention¶

Comment [DF1]: PSD does not currently have a curriculum to support this course of study. This is optional.

Deleted: The district's instructional program shall include age-appropriate and culturally sensitive child abuse prevention curriculum. This curriculum shall explain students' right to live free of abuse, include instruction in the skills and techniques needed to identify unsafe situations and react appropriately and promptly, inform students of available support resources, and teach students how to obtain help and disclose incidents of abuse.¶

Comment [DF2]: PSD does not currently have a curriculum to support AB 2016 and this is "optional".

Deleted: The district's program also may include age-appropriate curriculum in sexual abuse and sexual assault awareness and prevention. Upon written request of a student's parent/guardian, the student shall be excused from taking such instruction. (Education Code 51900.6)¶

¶ The Superintendent or designee shall, to the extent feasible, seek to incorporate community resources into the district's child abuse prevention programs and may use these resources to provide parents/guardians with instruction in parenting skills and child abuse prevention.¶

persons who are mandated to report known or suspected child abuse or neglect and establishes procedures for filing a report; see the accompanying administrative regulation. ***

The Superintendent or designee shall establish procedures for the identification and reporting of known and suspected child abuse and neglect in accordance with law.

(cf. 4119.21/4219.21/4319.21 - Professional Standards)
(cf. 5145.7 - Sexual Harassment)

Procedures for reporting child abuse shall be included in the district and/or school comprehensive safety plan. (Education Code 32282)

Comment [DF3]: This will be included in PSD district and school safety plans beginning 15-16 school year.

(cf. 0450 - Comprehensive Safety Plan)

***Note: Education Code 44252, as amended by AB 2560 (Ch. 110, Statutes of 2014), requires that teachers applying to the Commission on Teacher Credential for a new credential or a renewal of their credential read and sign a statement that they understand the duties imposed on them as mandated reporters pursuant to Penal Code 11164-11174.3. ***

District employees who are mandated reporters, as defined by law and administrative regulation, are obligated to report all known or suspected incidents of child abuse and neglect.

Comment [DF4]: This language supports AB 2560.

***Note: As amended by AB 1432 (Ch. 797, Statutes of 2014), Education Code 44691 and Penal Code 11165.7 require districts to annually train their employees regarding the duties of mandated reporters; see the accompanying administrative regulation. However, pursuant to Penal Code 11165.7, a lack of training does not excuse any mandated reporter from the duty to report suspected child abuse and neglect. ***

The Superintendent or designee shall provide training regarding the duties of mandated reporters.

Comment [DF5]: This language supports AB 1432 which now requires districts to provide training.
