### **Compensation**

BP 4350

#### **Personnel**

The Governing Board will annually review the salary and benefits that management and confidential employees receive. Annually, the Superintendent will recommend any changes to be made for these employees.

The Superintendent will be responsible for including in administrative regulations the current salary schedules for management and confidential employees and a listing of benefits. It is the intent of the Board to confer upon management employees similar benefits to those received by other employees in the district.
