SUBJECT: **2016-2017 School Year Calendar**
(Action)

Recommendation

It is recommended that the Board approve the School Calendar for the 2016-2017 School Year.

Background

The calendar being recommended has been discussed with the District labor partners (LSEA, CSEA, and LSMA) at Calendar Committee meetings that were held on November 30, 2015, January 6 and 25, 2016. There were two drafts proposed by the District at the first meeting and a third draft created by the committee members during the meeting. Three more drafts were developed and later discussed by the committee members at the final two committee meetings.

The 2016-2017 calendar drafts were reviewed and discussed at a recent LSEA Executive Board meeting. Feedback from LSEA was to have a later start date to allow for any professional development that may occur prior to the 2016-2017 school year.

At the third and final committee meeting, committee members received a copy of the approved JUHSD 2016-2017 calendar to become knowledgeable of start and end dates along with dates for Winter, Presidents' and Spring Breaks.

At the end of the committee meeting, it was unanimous by all committee members that Draft "2" was the recommended choice.

A copy of the proposed 2016-2017 calendar is attached for the Board's review.
