### Background

Parent organizations and volunteers play an extremely important role in the success of schools and the school district. As April is celebrated as the Month of the Young Child (MOYC), it is the desire of the Board of Trustees to underscore the importance and appreciation for our Pacifica School District parents through formal resolutions acknowledging the contributions of these wonderful parent organizations and volunteers.

At this time we would also like to acknowledge the wonderful leadership provided by Gwendolyn Holden and Christina Rimmer who took ownership of implementing our first Safe Routes to School Grant and continued through until this year. Without such dedicated parents, we would not be at such a high level of implementation as we are now.
